

Are Freemasons operating inside Catholic Church? Bp Athanasius Schneider and Dr Taylor Marshall

Sep 16, 2022

Dr Taylor Marshall

0:02

Freemasons operating inside the clergy

0:06

and even inside the Episcopal we can

0:08

assume this we have not proved because

0:12

you know the Freemasonry is so organized

0:15

that you cannot have a juridical proof

0:18

right it's a secret society they are so

0:21

clever

0:22

and so in some way crafty even

0:28

a debt you can never have a

0:31

demonstration

0:32

but

0:34

there are Bishops and Cardinals and

0:37

Priests

0:38

when they open their mouth they are

0:41

speaking like a Freemason

0:44

with all the even with some jargo of a

0:48

Freemason with uh

0:52

defending the typical principles of free

0:55

mercenary if he is Freemason or not

0:58

Freemason but he he is doing and

1:00

implementing the principles of

1:03

Freemasons and now recently

1:06

a day came out of a priest amongst

1:10

Monsignor who is a member of athletic

1:13

and deca story publicly uh

1:16

advocating and praising the Freemasonry

1:21

and so it is to me

1:24

already quite uh outing himself himself

1:30

Endeavor it's an article who

1:33

in the correspondence Romana

1:36

uh there was an article recently which

1:40

demonstrated this priest

1:42

is a member of a freemasonic lodge

1:47

and now

1:48

they want to

1:51

have this last

1:53

uh Bastion to be raised

1:58

they are achieved already the

2:01

recognition that all religions are equal

2:03

to the Abu Dhabi declaration and will by

2:07

God

2:08

and through the Praxis

2:10

then departure mama called which was

2:13

obviously idolatrous

2:15

and then they have the ambition the

2:19

Freemasons that the Vatican in some way

2:22

should recognize them this is their last

2:25

ambition ambition and so for me this

2:28

outing of these Vatican monsignori is a

2:32

step in this direction

2:34

and in some way

2:36

it is

2:38

um a kind of

2:40

blackmailing the Vatican to do this in

2:43

some way at least in our um indirect way

2:49

and so we can assume that there are a

2:53

lot of forces inside the Vatican who are

2:57

very friendly to Free Masonry and who

3:00

are doing exactly and implementing all

3:03

the principles of Freemasonry

3:06

One World Government

3:09

one world religion in some way

3:12

One World education

3:15

One World ideology

3:17

so we have this already and to to

3:21

um

3:23

to support and uh the the agenda of

3:28

materialism of naturalism which we are

3:31

we have in the Echo in the ecologism

3:34

and the climate change religion and the

3:37

amazona uh newly Amazon religion of

3:41

nature

3:43

and it simply uh

3:47

reinterpreting the entire gospel

3:49

in the terms of naturalism materialism

3:54

so to say that in some way Christ died

3:56

for nature for the river and for the

3:59

amazonas net for and not for the

4:02

Immortal Souls

4:05

they are perverting the gospel saying

4:07

Christ's wounds we see in the

4:12

in the disasters of the ecology

4:16

this is a perversion of the entire

4:18

gospel Christ is not became not

4:22

incarnated man and died on the cross and

4:27

shed his blood

4:29

to to give a better ecology

4:33

that the Amazon River would be better

4:35

and and cleaner

4:38

but to save human Souls

4:41

and and only through human soul saved

4:45

the ecology will be better not not in

4:50

the other way

4:51

the more

4:53

people are not possessing the the life

4:57

of the grace of the sanctifying grace

5:00

and the affiliation of God

5:03

and the more people are not doing the

5:05

will of God

5:07

the more ecology

5:10

will become worse

5:13

the environment and will suffer because

5:17

of

5:18

Christ is not reigning in the hearts of

5:22

the people

5:23

and then

5:25

man will be saved through him the nature

5:29

and the ecology will be also saved
