I think regrettably John Henry that most

0:03

Catholics

0:04

do not fully understand

0:08

the history of Catholicism in China

0:10

since Chairman Mao since the Communist

0:13

Revolution

0:14

and they don't understand how the church

0:17

related to Rome and and the stresses

0:20

that have been in that relationship and

0:23

then you know they hear about oh the

0:25

Chinese were sold out you know they hear

0:28

these things uh reported or described

0:30

but they don't know what that means so

0:31

could you maybe just give them a an

0:34

abbreviated version and help them

0:36  
understand what was the status quo and  
0:39  
and how that's been ruptured  
0:41  
Pope Benedict tried to work with  
0:44  
principally Cardinal Joseph Zen who's  
0:47  
the Cardinal of Hong Kong to  
0:50  
work with the underground Church in  
0:53  
China which was the only true and  
0:55  
faithful Church in China because the  
0:57  
Patriotic Catholic Church is all about  
0:59  
one thing as as Cardinal Zen will tell  
1:01  
you and anybody who studied the issue  
1:03  
for a long time will tell you they're  
1:04  
all about making the Chinese State the  
1:07  
be-all and end-all they want to be God  
1:09  
they want to do away with religion as  
1:11  
all communist regimes have and this is  
1:15  
the process by which they're going to  
1:16  
get there they knew they couldn't do it  
1:18  
by repression because it's only showed  
1:20  
the martyrs the the church flourishes in  
1:23  
the time of martyrdom and so what they  
1:25  
knew is they had to infiltrate as you

1:28

you often mentioned uh the church and

1:31

they have done so with this version of

1:33

the church they call the Patriotic

1:35

Church in China which has always had

1:38

government appointed Bishops and clergy

1:41

who who were actually spies and and so

1:44

on for the Chinese government anyway and

1:47

so there was always this very healthy

1:49

and growing Underground Church in China

1:51

which remained totally faithful to Rome

1:53

the popes worked with that through

1:56

Cardinal Zen and others with the

1:59

underground church and so this was going

2:01

on going forward always with repression

2:04

the government when they found them

2:05

would arrest priests and and uh

2:08

persecute people we know that destroyed

2:10

churches they destroyed beautiful

2:12

shrines that they had in China Catholic

2:14

shrines all over the place and more and

2:17

more more and more repressive as they

2:20

could be

2:21

now under Pope Francis they have come up

2:24

with this uh so-called xenobatican

2:27

Chinese Vatican agreement which

2:29

basically makes the Patriotic church the

2:32

church in China encouraging all the

2:34

underground Catholics to come into it

2:36

which basically feeds them to the Lions

2:38

right and this is known by all the

2:41

people who were working on this

2:43

situation and the most interesting case

2:45

is that of cardinal perylene so Cardinal

2:48

Caroline uh who's the Secretary of State

2:50

was actually the head of negotiations

2:54

with China under Pope Benedict and Pope

2:56

Benedict was very clear in his messaging

2:59

uh we you know everybody understood the

3:02

program what was going on uh in China

3:04

and yet now under Pope Francis it

3:07

appears that for whatever reason they've

3:10

decided just to cave in completely and

3:12

of course they're saying no no we

3:14

haven't we've made all these things and

3:15  
now there's acceptances first time the  
3:17  
wonderful agreement between China and  
3:19  
the Vatican and so on so forth absolute  
3:21  
nonsense go listen to Cardinals then  
3:24  
Cardinals then was of course the  
3:25  
principal as a Chinese Bishop as the  
3:27  
Archbishop of Hong Kong was the  
3:29  
principal a bishop involved in all of  
3:32  
this and he has been protesting for  
3:35  
years already begging the Holy Father  
3:37  
please please let's stop this and in  
3:40  
fact what's really strange is let me see  
3:43  
the agreement he Cardinal Zen has not  
3:46  
been allowed to see this so-called  
3:48  
agreement that was signed so uh with all  
3:51  
the one guy who knows what's going on is  
3:54  
kept out in the dark  
3:56  
exactly exactly and and that's because  
3:59  
obviously uh things are horrific and you  
4:03  
can see it for the reality that it is  
4:05  
because look at the oppressions of the  
4:08  
Chinese Catholics they're not only uh

4:10

just continuing sort of or lessening a

4:12

little bit oh no no they're they're

4:14

exacerbated since the so-called signing

4:17

of the Chinese Vatican agreement there

4:19

have been further persecutions those who

4:22

have come up out of the woodwork uh are

4:24

now exposed and uh come up out of the

4:27

you know out of their underground hiding

4:29

they've been exposed because they've

4:30

been encouraged to do that by the pope

4:32

himself as the pope put out a a video

4:35

talking to the Chinese telling them to

4:39

get with the church the Patriotic Church

4:41

what he said in fact was

4:44

um be good citizens uh today in church

4:48

uh I'll quote it for it says today the

4:50

church in China looks the future with

4:52

hope said Pope Francis he said the

4:55

church wants Chinese Christian

4:56

Christians to be truly Christians and to

4:58

be good citizens they need to he said

5:02

achieve the unity of the divided

5:05

Catholic community that is insanity for

5:08

one thing in China what the Chinese

5:10

government means by being a good citizen

5:12

is having it first and foremost be about

5:14

the Chinese communist government rather

5:17

than about God they are in the place of

5:21

God that's why in the Chinese Catholic

5:24

churches they replaced the crucifix with

5:26

the red flag of China

5:28

It is by no means Catholic they are you

5:32

know and we as Cardinals end us it's

5:35

it's feeding them to the Lions they've

5:36

they've fed them to the enemy and they

5:38

won't talk they always talk about

5:39

dialogue this and that and this and that

5:41

and yet they're not dialoguing with

5:44

Cardinals and and they're dialoguing as

5:46

Cardinal Zen says With the Enemy he

5:49

knows many of the Bishops and Priests

5:51

who are under arrest and and some of

5:52

whom have been killed and so for him

5:54

these are very very real and very

5:58  
horrific things that he's witnessing his  
6:00  
his own people being handed over to  
6:03  
lions by none other than the pope and  
6:05  
Cardinal paralleling and those working  
6:07  
with him in in a situation which which  
6:09  
has left him just uh I'm sure wondering  
6:12  
but many times on his knees and and  
6:14  
praying I'm sure weeping over this  
6:16  
situation  
6:17  
I mean the parallel stands out and other  
6:20  
people have made it with the church of  
6:22  
England I mean imagine if  
6:24  
Henry VII and then you know beyond him  
6:27  
Queen Elizabeth the first  
6:29  
you know they're killing priests they're  
6:31  
banning you know the mass all these  
6:34  
things and and it would be like the pope  
6:36  
saying well I know all you underground  
6:39  
Catholics been trying to keep the flame  
6:40  
alive but just  
6:42  
make do with the church of England  
6:44  
let the king or the queen appoint the

6:46

Bishops

6:48

right I mean

6:50

how is this even possible in church

6:52

history

6:53

somehow the Vatican has agreed to is

6:56

allowing the legitimacy of eight bishops

7:00

from this so-called patriotic

7:03

association's Catholic the so-called

7:06

Catholic uh Church in China government

7:08

appointed Communists and they were as

7:12

communist government appointed knowing

7:14

that they were excommunicated under post

7:16

Benedict uh and and great point and yet

7:20

those same Bishops are now recognized by

7:24

the vaticans as legitimate Bishops is

7:27

impossible and wasn't funny enough too

7:29

the three Bishops who were loyal to the

7:31

holy see they actually stepped down to

7:34

to allow for that to to be replaced by

7:37

those government-approved Bishops it the

7:39

situation that actually defies any kind

7:42

of logic and understanding it is left

7:44  
the faithful in China not only  
7:47  
vulnerable but in a time of persecution  
7:50  
where they feel they've been abandoned  
7:52  
by the hierarchy of the church itself  
7:54  
thank God they have uh Bishop there are  
7:57  
cardinals then who continues to stand  
7:59  
for them and to fight for them and to be  
8:01  
a public voice for them and uh to to  
8:03  
give them Assurance of the one true  
8:04  
Faith but when they see this coming from  
8:07  
the pope from Cardinal paraleen the  
8:10  
Secretary of State and Vatican it makes  
8:12  
for an impossible situation they don't  
8:14  
allow children to go to math because  
8:18  
they want to reserve it for when they're  
8:20  
adults they say or whatever you  
8:21  
indoctrinate them as communist as  
8:23  
children and then when they're 18 oh do  
8:24  
you want to start going to mass and  
8:25  
they're like no  
8:26  
yeah and so the program is to wipe out  
8:30  
the Catholic faith are there people who

8:33  
are  
8:34  
rejecting these new Bishops or people  
8:37  
are are the Catholics just saying well  
8:39  
the Francis says so we're doing it  
8:41  
what's what's the state like the  
8:43  
situation just in a town somewhere in  
8:45  
China  
8:46  
yeah so I mean there are there are a  
8:49  
bunch of people who have sort of latched  
8:52  
on to what the vatican's been saying and  
8:54  
and come out of basically the  
8:56  
underground church and they they  
8:59  
therefore are perhaps less concerned  
9:01  
about massive persecution but they also  
9:03  
have to lose the faith they have to  
9:04  
succumb they have to give in to the uh  
9:08  
communist ideals of State first and uh  
9:12  
communism first got later they have to  
9:15  
go into churches where no longer do they  
9:17  
see a crucifix they see the red flag of  
9:19  
China up there they have to allow for  
9:21  
their children not to go they have no

9:23

more funeral uh options either

9:26

um and so there are those there are also

9:29

some who continue to resist continue to

9:31

hold true to the one true Faith you're

9:33

talking about Millions tens of millions

9:36

of Catholics who remain in underground

9:38

churches despite all of this craziness

9:42

um who are in dire need of our own

9:44

prayers and whose sacrifices and

9:46

sufferings are helping us probably more

9:48

than we'll ever know except in the

9:49

afterlife
