0:15
Pope Francis has thrown Cardinal Zen
0:18
housed we say it
0:20
he's thrown him under the bus he's
0:22
thrown him to the curb
0:24
he's thrown him to the wolves
0:28
we live on planet Earth
0:30
during this time
0:32
it could be argued
0:34
that the most systematic persecution
0:39
of Catholics
0:43
is in China
0:45
has a systematic persecution of the
0:49
Catholic church and since the era of
0:53
Chairman Mao
0:55
there has been a underground movement of
0:59
Catholics in China
1:01
wishing to be faithful to Jesus Christ
1:03
and the one true church the one Holy
1:05
Catholic Apostolic Church
1:08
an underground church and the response
1:11
of the atheistic Communist Regime of
1:14
China is to have their own Catholic
1:18
denomination that is reconciled to the
1:22
Chinese
1:23
atheistic communist government and so
1:26
what you have in China are in a way two
1:29
forms of being Catholic the underground
1:32
traditional Faithful Way that sought to
1:35
be connected with Rome and not affiliate
1:37

with the government and then the
1:39
official patriotic Catholic Church
1:43
the great betrayal
1:45
that's happened to Colonel Zen who's 90
1:48
years old the dear man
1:50
is that Pope Francis
1:52
through the advice and Council of
1:55
ex-cardinal mccarrick Yes you heard me
1:58
correctly
1:59
I'll talk more about what a vegano says
2:01
about that and my own personal
2:03
experience with mccarrick yes my own
2:06
pert being in the same room with
2:08
mccarrick discussing the situation with
2:11
Chinese Catholics
2:14
Francis has thrown them to the curb
2:18
thrown them to the wolves and betrayed
2:20
Zen and Cardinal Zen
2:23
is on trial he's going to trial
2:26
and Francis hasn't lifted a finger to
2:30
assist the man why because Pope Francis
2:34
and the Patriotic so-called Catholic
2:38
Association
2:40
are together
2:45
it's shameful it's horrible so today
2:47
we're going to break that down we're
2:49
going to talk about Cardinal Zen we're
2:50
going to talk about his arrest
2:52
his trial and then the recent words I'm
2:55
going to go ahead and just say callous
2:59
uncaring words of Pope Francis for
3:02
Cardinals and you would think
3:04
that in a persecuted country like China
3:08
if you had a revered
3:11
eminent Cardinal like Cardinal Zen who
3:15
has lived through the entire era

3:18
of this compromised situation in China
3:20
you would think if you were Pope
3:24
you would bring this man close to you
3:27
into your Council to fully understand
3:29
the situation and what does Francis do
3:32
he slams the door and Zen's face Zen
3:35
went to Rome to meet with them he
3:37
wouldn't meet with them
3:40
but if you're a pro-abortionist if
3:42
you're a globalist if you're a green
3:44
Theologian if you're James Martin
3:48
if you're one of the German Bishops who
3:50
wants to bless certain unions that are
3:52
unnatural Open Door revolving door
3:55
constantly
3:56
if you're a Bono the lead singer of U2
3:59
come on in Pope Francis is waiting for
4:02
you your Cardinal Zen trying to protect
4:05
the religious liberty of true Catholics
4:07
in China
4:09
no room for you at the Inn says Francis
4:13
it's a total Scandal and we talk all the
4:15
time about the scandals in the United
4:17
States and in Europe and in Latin
4:19
America but I'll tell you right now one
4:21
of the biggest scandals of this
4:23
pontificate is his treatment of the
4:25
Chinese underground movement in his
4:27
treatment of this venerable man
4:30
his Eminence Cardinals in
4:33
as you can see I'm a little worked up
4:34
over it I've actually been to China
4:36
believe it or not before I was a
4:38
Catholic I did a short-term missionary
4:41
trip of about seven or eight weeks in
4:45

China as a Protestant

4:47

and it was a pretty

4:49

amazing experience

4:51

I learned a bit of Chinese not very much

4:55

and was able to go to Shanghai and Hong

4:59

Kong and Hangzhou and uh many of these

5:01

places I did a summer University because

5:04

you can't just say I'm a missionary and

5:05

come to China especially back in the 90s

5:07

you had to have a reason so I had a

5:10

student visa and I worked with a

5:12

Protestant organization and went to

5:14

China and I saw what it's really like

5:16

there

5:17

they have

5:19

a grip

5:21

on what they consider to be Christian

5:24

and you conform

5:25

or you go to jail

5:29

Colonel Zen is someone who we should

5:31

seek counsel from not throw them to the

5:33

curb and not slam the door in his face

5:35

are we going to pray thee Our Father in

5:37

Latin the universal language of the

5:39

church and then we'll learn about

5:41

Cardinal Zen and we'll learn what

5:42

Francis just said about Carlos

5:44

nominee Padres

5:57

is

6:14

foreign

6:15

for a moment

6:20

a cardinal of the Holy Roman Church is

6:22

arrested

6:24

now you might think like mccarrick or

6:27

something like that oh child molestation

6:29

embezzlement

6:31
 no he's arrested
 6:34
 for standing up for the rights of holy
 6:37
 mother Church
 6:39
 in China
 6:42
 what does the pope say what does the
 6:45
 pope do he doesn't meet with them he
 6:48
 refuses after several requests to meet
 6:51
 with Cardinals in and by the way
 6:52
 Cardinal's end recently I think was in
 6:54
 2021 celebrated publicly the traditional
 6:57
 Latin Mass you know Francis bergolio
 6:59
 don't like that that's rigid
 7:02
 he's going to make Zen pay
 7:12
 the 90 year old cardinal
 7:15
 his eminence
 7:17
 Joseph Zen
 7:20
 why is he in trouble with the Chinese
 7:22
 government
 7:24
 and we try to put it together for you
 7:28
 he's being charged for failing to
 7:31
 register for the 612 humanitarian Relief
 7:34
 Fund
 7:36
 and this is established
 7:39
 to register
 7:43
 the church
 7:45
 you know China
 7:47
 I don't know if it is anymore but when I
 7:49
 was there in their national anthem
 7:52
 it states a belief in atheism
 7:55
 they follow the Communist Marxist
 7:58
 understanding that religion is the Opium
 8:01
 of the masses
 8:02
 they're anti-religion and you know
 8:05
 Stalin and Mao and all of them tried to
 8:08
 stamp it out they couldn't ever really
 8:09

Stamp Out religion So eventually what
8:11
they did is they just controlled it what
8:13
you saw in Russia is they just basically
8:14
took control the Russian Orthodox church
8:16
and in China they did the same kind of
8:18
thing they created these State churches
8:20
that they could control well Cardinal
8:23
Zen is not going to do that and so he
8:28
and many others have been arrested and
8:31
now they were out on bail thanks be to
8:33
gods
8:34
and now they're going to trial
8:37
and recently on
8:41
let me pull it up here for us
8:43
here we go this is on Vatican news
8:46
recently on Vatican news
8:51
Francis well not on Vatican news but
8:53
it's in Vatican news Francis was ax
8:56
asked by another a number of reporters
8:58
you can see him here uh Republica Etc
9:01
various questions
9:04
and Elise Allen is that John Allen's new
9:08
wife not sure
9:10
but Elise Allen at Crooks she says thank
9:13
you for being with us this evening
9:15
yesterday at the Congress you spoke
9:17
about the importance of religious
9:19
freedom and this is The ecumenical
9:21
religious conference that I discussed
9:23
about four days ago here on the Dr
9:25
Taylor Marshall podcast which reminds me
9:27
while you're here go ahead and give this
9:29
show the thumbs up
9:32
share it on Facebook and Twitter and if
9:34
you're new Please Subscribe here on
9:37
on

9:40
 YouTube by hitting the Subscribe button
 9:42
 which isn't working okay it's in the
 9:44
 bottom right corner
 9:48
 so yeah if you want to see the the one I
 9:50
 just did about his Kazakhstan
 9:52
 religious pluralism does God will all
 9:55
 these religions go to Dr Taylor Marshall
 9:57
 podcast on YouTube
 10:00
 all right back to Elise Allen and Pope
 10:04
 Francis as you know on the same day the
 10:06
 president of China arrived in the city
 10:09
 where there has been great concern about
 10:12
 this is this is Cardinal Zen
 10:14
 is going to trial
 10:17
 this is a problem
 10:19
 now I'm going to skip through some of
 10:21
 this because the the really interesting
 10:23
 part he gives a long answer Pope Francis
 10:25
 does about
 10:27
 you know the Vatican Chinese commission
 10:29
 and how we're dialoguing and Cardinal
 10:32
 Peril in the secretary of state has got
 10:34
 it all under control by the way
 10:37
 when Zen was arrested in China Cardinal
 10:40
 parallen said this does not relate to or
 10:43
 affect the Chinese Vatican agreement
 10:47
 so instead of Defending a fellow
 10:49
 Cardinal he just basically said hey
 10:50
 we're moving forward with our agreement
 10:52
 with China don't let this Cardinal Zen
 10:54
 stuff
 10:55
 take away from it
 10:56
 to me that's trashy
 10:58
 Colonel Pearland is trashy
 11:02
 all right so
 11:04

let me pull up here the paragraph
11:07
it's this one right here
11:10
that's the one I'm reading
11:12
Pope Francis
11:14
quote qualifying China as undemocrat
11:17
undemocratic I do not identify with that
11:20
because it's such a complex country yes
11:23
it is true that there are things that
11:25
seem undemocratic to us
11:27
that is true cardinal Zen is going to
11:30
trial these days I think
11:32
and he says what he feels and you can
11:35
see that there are limitations there
11:38
more than qualifying because it is
11:40
difficult and I do not wish to qualify
11:43
they are Impressions and I try to
11:45
support the path of dialogue end quote
11:47
this is garbly [_]
11:50
I don't even know what this means you
11:52
know we're just going to talk about
11:53
limitations and dialogues and
11:56
Impressions and feelings and all that
11:59
let's just get straight to the matter
12:01
Pope Francis your Cardinals going to
12:03
trial
12:04
under your buddy the president of China
12:08
and your response is qualifying China as
12:11
undemocratic okay what does that have to
12:12
do with Catholicism
12:14
I do not identify with that because it's
12:17
a complex country okay all countries are
12:19
complex
12:20
China doesn't get a pass for persecuting
12:23
your cardinal
12:24
especially when all you talk about is
12:26
pluralism and

12:28
and diversity and religious liberty for
12:31
everybody
12:34
and he says Cardinal Zen is going to
12:36
trial these days comma I think well
12:38
maybe you should find out Pope Francis
12:42
I mean are you just kind of getting it
12:44
from the blogs or the newspaper I mean
12:45
can we figure out what's going on with
12:47
your cardinal
12:48
is going to trial or any other Cardinals
12:51
on planet Earth going to trial this is a
12:52
big deal
12:56
do your own research fact check
13:01
the most troubling thing is in Pope
13:03
Francis says this I'm reading right here
13:07
and he says Zen and Zen says what he
13:11
feels and you can see that there are
13:13
limitations there
13:17
so he's basically
13:21
insulting Zen by saying he's just saying
13:24
what he feels instead of being with me
13:27
Francis and paralyne
13:29
and supporting the Communist version of
13:32
Catholicism the above ground church
13:34
instead of the underground Church
13:37
so Zen he's just saying what he feels
13:40
and you can see that there are
13:42
limitations there end quote so he's
13:44
basically just saying Zen is running off
13:46
his feelings and he's limited
13:49
disrespectful Francis bergolio
13:52
unacceptable
13:53
unacceptable
13:55
now this discussion
13:58
goes back a long time
14:00

and as you know before I was a Catholic
14:04
Layman
14:05
I was an Episcopal priest in the
14:09
Episcopal Church the United States of
14:10
America and it was an Anglican
14:14
I came into the church in 2006.
14:18
and I was working in Washington DC at
14:20
the Catholic information center which is
14:22
just a few blocks north of the White
14:24
House
14:25
and part of our role there was to reach
14:27
out
14:28
and evangelize the political Community
14:31
there on K Street in Washington DC and I
14:35
was the assistant director and I was
14:37
running book signings and I was bringing
14:40
in speakers
14:41
and you know films like we were one of
14:45
the very first ones to promote Bella the
14:47
film Bella that's the kind of stuff we
14:49
did and we had speakers coming in once
14:51
or twice a week and of course we hosted
14:53
Cardinal mccarrick I had met Cardinal
14:56
mccarrick once uh before at his offices
14:59
where we discussed me being ordained a
15:01
Catholic priest yes I had a conversation
15:03
with mccarrick and Cardinal mccarrick
15:05
said that I would be a very good
15:06
Catholic priest and he would work uh on
15:09
my behalf to make sure that would happen
15:11
but he was retiring from the Archdiocese
15:14
of Washington DC but he would pass this
15:15
on with his successor who came to be
15:18
Cardinal Donald whirl
15:20
so that was my first meeting with
15:21
mccarrick a second meeting with

15:22
mccarrick was at the Catholic
15:24
information center and he wanted we
15:26
invited him to speak because he was the
15:28
Cardinal Archbishop by the way I knew
15:30
nothing about this whole backstory with
15:32
James Grine and beach houses and all
15:36
sorts of
15:37
degenerate behavior of mccarrick he came
15:42
and he wanted to give a talk on
15:45
the Catholic church in China
15:48
now like I said I'd been to China as a
15:50
Protestant I knew kind of how
15:53
Christianity and religion worked in
15:55
China through study but also through
15:57
being there it's like well this will be
15:59
a very interesting conversation
16:01
Colonel mccarrick came and in the
16:04
progress of his talk at the Catholic
16:06
information center in Washington DC he
16:09
started to explain how
16:12
Pope Benedict XVI needed to move away
16:15
from what John Paul II had been
16:18
supporting that is the underground
16:19
Church
16:21
and we needed to instead start
16:23
dialoguing and working with the official
16:26
Catholic patriotic Association and I can
16:30
remember in the room because I was
16:31
recording the talk I wish I still had
16:33
the recording I was the recording guy I
16:36
was thinking
16:38
am I hearing this right and looking
16:39
around the room and seeing other people
16:42
and I think George Weigel was there as
16:44
well
16:45

and seeing people kind of look at each
16:47
other like wait is the Cardinal saying
16:49
that we need to support the communist
16:53
state church and not the faithful
16:56
underground church and that's exactly
16:58
what mccarrick was saying
17:02
I didn't know much about mccarrick I
17:04
knew he was liberal but when I heard
17:06
this I thought this is totally insane
17:07
that a Catholic Cardinal would betray
17:10
the underground church and want to
17:12
support the official state Communists
17:14
recognized Catholic Association
17:17
and in the Q a people talked about it
17:19
and this was in fact what was mccarrick
17:20
was saying
17:22
fast forward to the time of Archbishop
17:25
vegano writing his first 11-page missive
17:28
against the United States Bishops but
17:31
especially against Cardinal uh mccarrick
17:33
and especially against Pope Francis
17:36
in that
17:38
in vegano's statement he talks about
17:40
meeting mccarrick in mccarrick having
17:42
been censured somehow by benedict for
17:45
his sexual degeneracy
17:47
and then that restriction being lifted
17:51
by Francis and vegano learning of it and
17:54
in coming across mccarrick and mccarrick
17:57
going to China
18:02
this would have been after I had heard
18:04
mccarrick say this in 2006 2007.
18:07
Francis sent mccarrick to China
18:11
this is all Saint Gala Mafia bologna
18:15
and mccarrick went to China and shortly
18:17
thereafter Francis in China

18:20
shook hands
18:22
and Francis started recognizing
18:25
the state-sponsored Communist Catholic
18:28
and I there's quote scare quote
18:31
patriotic Association and not the
18:33
underground church and that's what sent
18:35
Zen
18:37
so this deal
18:39
as far as I know other people aren't
18:40
talking about except for vegano
18:42
this Chinese deal with the Vatican
18:47
has the Fingerprints of EX mccarrick on
18:50
it so much evil in the world has been
18:53
Unleashed
18:54
from X Cardinal Theodore mccarrick a
18:58
Judas Priest and a Judas bishop and a
19:00
Judas cardinal
19:04
Dreadful
19:06
what do we do my friends you know we
19:08
often I'm ashamed to say it it was
19:11
really not until I went to China that I
19:13
realized the magnitude
19:15
how big and how populated China's we
19:19
tend to be
19:21
eurocentric or
19:23
Pan America Centric there are so many
19:26
Souls there
19:28
and the Catholic church is handicapped
19:30
by the persecuting government there we
19:33
need to pray rosaries
19:35
for our brothers and sisters in China
19:39
think how confusing it would be if you
19:41
had to make a choice to go with Bishops
19:43
who were selected and appointed by the
19:46
communist politicians with the wink of
19:50

Pope Francis
 19:51
 or to maintain this sort of stalwart
 19:56
 independence from the Chinese government
 19:59
 just like Catholics did for the several
 20:02
 past decades in China just like
 20:04
 Catholics did in England when Henry VII
 20:06
 said no no no I'm going to start running
 20:08
 the church in England
 20:09
 people have to make a decision
 20:13
 be faithful first to the church are you
 20:15
 Faithful first to the state
 20:18
 Cardinal Zen is faithful first
 20:21
 to the church
 20:23
 Cardinal Peril in and Francis
 20:26
 do not seem to be that way
 20:30
 and it's a pity
 20:32
 it's a horrible pity
 20:34
 so I'm going to invite you now we'll
 20:35
 pray
 20:36
 a Hail Mary the Ave Maria and this goes
 20:40
 out to Cardinal Zen but also to all the
 20:42
 Catholics in China
 20:44
 who are persecuted
 20:46
 and Confused
 20:47
 oremus
 20:51
 IA Domino's
 21:03
 amen and for the faithful witness of
 21:05
 cardinal Zen his Eminence Gloria Patrick
 21:07
 videos
 21:14
 amen
 21:18
 well
 21:20
 we are living
 21:22
 during a pontificate
 21:24
 of confusion
 21:26
 and the Bible says that the holy spirit
 21:28
 is not the author of confusion

21:30
we are living in a time of Destruction
21:34
of heresy
21:36
I'm probably going to have to do a
21:37
podcast this week about the Flemish
21:39
Bishops have you heard about this
21:41
the Flemish Bishops have already
21:43
published their prayers in liturgy for
21:47
blessing same sex unions through their
21:51
process of Synod of synodality
21:55
that's already happening right now the
21:58
Flemish Bishops
22:00
probably have to do a video on that
22:03
complete destruction the house is on
22:06
fire
22:07
now the one Holy Catholic and Apostolic
22:10
Church she herself
22:13
the Gates of Hell will not Prevail
22:14
against there will always be a remnant
22:19
the church is persecuted from outside
22:21
and from within that's the whole point
22:23
of my book infiltration
22:28
the church
22:30
the one Holy Catholic and Apostolic
22:33
Church cannot lead us into error or lead
22:35
us into sin she is the faithful bride of
22:38
Jesus Christ
22:40
but Christ tells us there will be false
22:42
christs and false prophets
22:44
false pastors Judas priests who will
22:48
worm their way into our fellowship into
22:52
our church
22:53
and seek to deceive many false doctrines
22:57
heresy immorality using power to corrupt
23:02
soul and body
23:04
all these things are foretold by Christ
23:06

by Peter by Paul by the apostles and by
23:09
private Revelation throughout the
23:11
centuries and even in the last century
23:14
what do we do you stay firm
23:18
you do not doubt you believe in Christ
23:20
you hope in Christ you love Christ
23:23
and you love your neighbor as yourself
23:25
you sanctify yourself every day both
23:28
prayer you pray in the morning you read
23:30
sacred scripture the Bible get yourself
23:33
a good Dewey Reigns Catholic Bible
23:36
I listened to it in the mornings I try
23:39
to do three chapters listening in the
23:40
morning
23:41
my cup of coffee or my green tea
23:45
avoid mortal sin venal venial sin if you
23:49
are in sin go to confession every two to
23:52
four weeks
23:54
find a traditional Latin Mass
23:57
and
23:58
very importantly very a big part of my
24:01
my message
24:02
of what I try to do as a dad on a webcam
24:04
talking to you is to encourage you to
24:06
pray the Rosary every single day
24:09
please pray the rosary if you don't know
24:12
how to pray the rosary you don't know
24:14
what to do I've got a very simple
24:16
solution it's a little book it's 50
24:19
pages it tells you the history of the
24:20
Rosary
24:21
it tells you the Theology of the Rosary
24:23
and then it gives you detailed
24:25
instructions with photo pictures on how
24:29
to pray the Rosary in English and in
24:32
Latin if you want to go there

24:33
and lots of inspiring quotes from the
24:36
Saints and the popes on why you should
24:38
pray the Rosary every day it's called
24:40
Rosary in 50 pages
24:42
you can get it at Catholic bookstores
24:45
you can go to amazon.com and and get it
24:47
Rosary in 50 pages I recommend if you
24:49
want and if you don't want to do that
24:51
you don't want to get a book I have I
24:54
think a dozen videos here on YouTube on
24:56
how and why to pray the rosary with
25:00
detailed instructions and also the
25:02
Theology of the Rosary so you can get it
25:04
free on YouTube
25:05
or if you want it in a book form you can
25:07
go to Amazon spend a few dollars and put
25:10
it on your nightstand
25:13
pray the Rosary every day
25:16
